### Upcoming System Outages

2 August 2024

As part of Endeavour Energy's ongoing efforts to enhance our system capabilities, we will be carrying out scheduled maintenance on selected systems.

To reduce impact on users, this maintenance will occur over a Saturday, and the application being upgraded will be unavailable from 9am – 6pm.

Please see below for details on the affected systems and their scheduled outage dates:

Application	Date of Outage
eNOSW, NECF Portal (Basic Application Portal)	Saturday 3 <sup>rd</sup> August
Connections Portal	Saturday 10 <sup>th</sup> August
Before You Dig Australia (BYDA)	Saturday 17 <sup>th</sup> August
eNOSW, NECF Portal (Basic Application Portal)	Saturday 31 <sup>st</sup> August

We apologise for any inconvenience this may cause and appreciate your patience and understanding.

Kind regards,

**Customer Network Solutions**
